Landscaping the Area Around Aston & Weston Bowls Club

- Weston & Aston Parish Councils wish to improve the area around the Bowls Club to make it more useful to residents.
- Phase 1 of the plan (2023) retains a large area of open space but will provide some seats and picnic tables and a start on meadow planting and planting of some shrubs.
- Phase 2 (2024) will, subject to consultation, include wider planting and provision of play equipment, bird/insect boxes and information boards.
